Learn to access the guidance in your dreams using basic group projective "if it were my dream" techniques. Whether you submit a dream for possible exploration or simply help others unpack theirs, you'll go home with a fresh appreciation for the transformative wisdom available from your nightly narratives.

Irene Clurman holds dream work facilitator certification from Jeremy Taylor's Marin Institute for Projective Dream Work and has led dream workshops throughout Colorado and in Chicago and Montreal. Contact her at isee@indra.com.
